

**Vermont's Approved Providers of Supplemental Educational Services
For School Year 2009-2010
(November 30, 2009)**

The No Child Left Behind Act requires that a supervisory union/district provide for tutoring services outside the regular school day for eligible students attending Title I identified schools. It also requires that the parents of eligible students be allowed to choose a service provider. This list contains the names of providers that have been approved by the Vermont Department of Education and that are available to serve students from the Title I identified schools.

For more information about any of the providers or for eligibility criteria for services, parents of students attending an identified school should contact their local school or supervisory union/district office.

Vermont's current Title I identified schools that must offer supplemental services for the 2009-2010 school year are:

**Academy School
Barre City Elementary/Middle School
BFA Fairfax Elementary
Bellows Falls Middle School
Burlington Senior High School
Camels Hump Middle School
