Time: 5:30 - 7:00 PM

Place: HMS Cafeteria

Awards: All participating scientists receive a coupon for a

FREE CREEMEE!

Additional prizes for best science projects!

After School Program

Meet every Thursday starting March 27th in room C9 and April 3rd to May 8th at the Miller Center. After school program is led by UVM Physics Professor Matthew White. Participants will have the opportunity to develop and conduct their science projects, consult with experts in their field, and explore cool science demos to be presented at the Science Fair. Participants in the after school program will also design posters using computer-designed vector graphics, to be printed at large scale at UVM!

Indicate your interest in the fair and the after school program in the linked google form.
